19. Hearings were conducted on 14/11/2018, 19/08/2019, 03/09/2019, 09/09/2019, 18/09/2019, 26/09/2019, 15/10/2019, 03/11/2019, 06/11/2019, 19/11/2019, 28/11/2019, 19/12/2019, 08/01/2020, 23/01/2020, 14/02/2020, 24/03/2020, 24/01/2022, 17/03/2022, 20/04/2022, 24/08/2022, 07/09/2022 and finally on 29/09/2022.

20. Heard arguments of both the parties.

21. **On the above averments, the following points would arise for our consideration:-**

1. Whether the project "Jaithra Tower" is to be registered?
2. Whether the complaint is entitled for the relief claimed?
3. What order?

22. **Our answer to the above points is as under:-**

1. In the Affirmative.
2. In the Affirmative.
3. As per final order for the following

REASONS

23. **Our answer to point No.1:-** From the materials available on record, it is apparent that there is no progress in this project since 2014 till now. Hence, the said project is ongoing project as on the date of RERA Act came into force.

24. Further, documents furnished by the respondent No.2 and 3 such as petition copy in AA. No. 342/2014, copy of claim petition in Arbitration case in AC No. 128/2019, the Arbitration award dated 19/01/2021 etc., clearly goes to show that there is a dispute between builder and landowners. The allottees who have parted with the part of sale consideration and entered into agreement for sale should not suffer on account of this dispute. Keeping in view, the interest of the allottees, the Authority deems it fit to issue direction to the respondent to get register the said project immediately.

25. Therefore, the said project "Jaithra Tower" requires registration u/s. 3 of the RERA Act which reads as under:-

3(1) No promoter shall advertise, market, book, sell or offer for sale, or invite persons to purchase in any manner any plot, apartment or building, as the case may be, in any real estate project or part of it, in any planning area, without registering the real estate project with the Real Estate Regulatory Authority established under this Act:

Provided that projects that are ongoing on the date of commencement of this Act and for which the completion certificate has not been issued, the promoter shall make an application to the Authority for registration of the said project within a period of three months from the date of commencement of this Act:

Provided further that if the Authority thinks necessary, in the interest of allottees, for projects which are developed beyond the planning area but with the requisite permission of the local authority, it may, by order, direct the promoter of such project to register with the Authority, and the provisions of this Act or the rules and regulations made thereunder, shall apply to such projects from that stage of registration.

(2) Notwithstanding anything contained in sub-section (1), no registration of the real estate project shall be required—

(a) where the area of land proposed to be developed does not exceed five hundred square meters or the number of apartments proposed to be developed does not exceed eight inclusive of all phases: Provided that, if the appropriate Government considers it necessary, it may, reduce the threshold below five hundred square meters or eight apartments, as the case may be, inclusive of all phases, for exemption from registration under this Act;

(b) where the promoter has received completion certificate for a real estate project prior to commencement of this Act;

(c) for the purpose of renovation or repair or re-development which does not involve marketing, advertising selling or new allotment of any apartment, plot or building, as the case may be, under the real estate project.

Explanation.—For the purpose of this section, where the real estate project is to be developed in phases, every such phase shall be considered a standalone real estate project, and the promoter shall obtain registration under this Act for each phase separately.

26. Accordingly the point raised above is answered in the Affirmative.
27. **Our answer to point No. 2:-** From the materials available on records, it is apparent that in spite of entering into an agreement for sale to handover the possession of an apartment, the builder has not completed the project as per agreement and has delayed the project, and has not handed over the unit in favour of complainant till date. Hence, the builder has failed to abide by the terms of the agreement for sale dated 12/12/2012. There seems to be no possibility of completing the project or handing over possession in near future.
28. In the judgement reported in Civil Appeal No. 3581-3590 of 2020 at para No. 23 between M/s. Imperia Structures Ltd., V/s. Anil Patni and another by the Hon'ble Supreme court it is held that,

"In terms of Section 18 of the RERA Act, if a promoter fails to complete or is unable to give possession of an apartment duly completed by the date specified in the agreement, the Promoter would be liable, on demand, to return the amount received by him in respect of that apartment if the allottee wishes to withdraw from the Project. Such right of an allottee is specifically made "without prejudice to any other remedy available to him". The right so given to the allottee is unqualified and if availed, the money deposited by the allottee has to be refunded with interest at such rate as may be prescribed. The proviso to Section 18(1) contemplates a situation where the allottee does not intend to withdraw from the Project. In that case he is entitled to and must be paid interest for every month of delay till the handing over of the possession. It is upto the allottee to proceed either under Section 18(1) or under proviso to Section 18(1). The case of Himanshu Giri came under the latter category. The RERA Act thus definitely provides a remedy to an allottee who wishes to withdraw from the Project or claim return on his investment."

29. Therefore, as per section 18(1) of the Act, the promoter is liable to return the amount received along with interest and compensation only if the promoter fails to complete or provide possession of an apartment etc., in accordance with sale agreement.
30. From the averments of the complaint and the copy of agreement between the parties, it is obvious that the complainant has already paid the substantial sale consideration amount. Having accepted the said amount and failure to keep up promise to handover possession of apartment certainly entitles the complainant herein for refund with interest.
31. Having regard to all these aspects, this Authority concludes that the complainant is entitled for refund with interest.
32. Further, during the proceedings, on 29/09/2022 the complainant has filed an affidavit stating that the present complaint is filed on her behalf as well as other 25 members and that they are unable to approach consumers forum seeking direction for payment by the respondent since complaint is barred by law of limitation, under the Consumer Protection Act, 1986.
33. Accordingly, the point raised above is answered in the Affirmative.
34. **Our answer to point No.3:-** In view of the above discussion, the complaint deserves to be allowed. Hence, we proceed to pass the following

ORDER

In exercise of the powers conferred under Section 31 of the Real Estate (Regulation and Development) Act, 2016, the complaint bearing No. CMP/UR/210129/0007499 is hereby allowed.
