**J U D G E M E N T**

1. **Mr. Gagguturi Nazeer Basha**, has filed this complaint under Section 31 of RERA Act against the project "**TEMPLE TREE**" developed by M/s ARV INFRASTRUCTURES., bearing Complaint no. CMP/180830/0001198. The facts of the complaint is as follows:

*In order to purchase a Flat, the Complainant approached the Builder who were offering flats on sale in their residential apartment project*

named 'TEMPLE TREE'. The builder assured the Complainant that they will provide all the facilities mentioned in the Brochure. Being convinced by the builder and after discussions the Complainant agreed to purchase a 2 Bedrooms Flat bearing No. A-203, on the Second Floor, with 1171 Sq. Ft. of Super Built up Area (SBA) along with one Covered Car Parking space in the Basement Floor and 443 Sq. Ft of undivided right, title and share in the land. In confirmation of his desire to purchase a flat, the Complainant paid Rs.2,34,200/- as advance by Cheque No. 193202 dated 30-7-2014 drawn on Indian Overseas Bank, Cuddapah Branch, Andhra Pradesh and submitted the builder's booking form duly filled. Subsequently, the Complainant entered into an Agreement of Sale dated NIL for purchase of 443 Sq. Ft., of undivided share in the land for a total sale consideration of Rs.11,71,900/-. They also entered into a Construction Agreement dated NIL for the 2 bedrooms apartment bearing No. A-203 with super built up area of 1171 Sq. Ft., with One covered car parking space in the basement at a total cost of Rs. 37,18,855/- which includes cost of construction, deposits to BWSSB and BESCOM and One covered car parking space. The total sale consideration payable under both the aforesaid Agreements is Rs.48,89,855/-. However, the Complainant has paid a total sum of Rs.53,27,444/- by Cheques and online transfer to the builder's account. Thus, an excess sum of Rs.4,37,589/- was paid to the builder.

The builders were so confident of completing construction, delivering possession and registering the flat in the Complainant's favour within May 2016 and in the event of delay they also agreed to compensate the Complainant at the rate of Rs. 7/- per Sq.Ft. of the SBA monthly to the Complainant from June 2016 onwards till the date of delivering possession of the apartment. Over 26 months have elapsed since May 2016, the builders have not complied with the agreement terms nor have they completed the construction agreed under the Construction Agreement.

2. In pursuance of the notice issued by this authority the Complainant was present through his advocate on 18/09/2018. I would say that the Developer remained absent for the whole trial. Originally the Complainant has filed the Complaint seeking relief of possession of his flat. Later on 22/10/2018 he has filed a memo seeking the

relief of delay compensation. Authority has directed the Complainant to send soft copy of the memo dated 22/10/2018 to the developer since he was not appearing. The developer was not present for the earlier notice as well as to this memo. Therefore on 14/11/2018 the case is reserved for judgement after hearing the Complainant.

3. The relief of Complainant is based upon the agreement which was executed by the parties on 30/07/2014. According to this document the developer was to handover the possession of the flat on or before May 2016, including the grace period. But now the Developer has given the completion date to this RERA as 31/12/2017. It means there is an inordinate delay in completion of the project. Therefore the Complainant is entitled for delay compensation. In the same agreement the Developer has agreed to pay Rs. 7/- per sft., per month as delay compensation. But I would say that this agreement was executed prior to 01/05/2017. By the induction of this Act the rate of compensation shall be enhanced because the developer has developed the project with the financial assistance of the consumer like Complainant.
4. As per Section 18 (1) proviso the consumer who is not going to withdraw the project shall be paid by the promoter with interest. During the course of calculating the delay compensation the Authority has to look into Section 72 of the RERA Act. The Developer has failed to complete the project on or before May 2016 but however the project is going on and will be completed as per the schedule given to the RERA. No allegation regarding the deviation of the amount to other project.

5. As per sec.18 by the Act Delay Compensation has to be paid @interest prescribed as per rule 16. But in this case the developer was expected to deliver the possession or before May 2016 including the grace period. In view of the same the developer has to pay the delay compensation as per Karnataka Apartment Ownership Act, 1972.
6. As per section 71(2) of RERA the complaint shall be disposed off by the Authority within 60 days from the date of receipt of the complaint. This complaint was filed on 30/08/2018. As per SOP, 60 days shall be computed from the date of appearance of the parties. In this case the developer was not at all appeared hence there is no delay in closing the complaint. With this observation I proceed to pass the order.

### **ORDER**

- i. The Complaint No. CMP/180830/0001198 is allowed.
- ii. The developer is directed to pay the interest by way of compensation on the sum paid by the complainant @ 9% p.m. commencing from June 2016 till the April 2017.
- iii. The developer also directed to pay the interest by way of compensation @ 10.25% on the sum paid by the complainant commencing from 01/05/2017 till the notice for possession is issued.
